CONSENT FOR SERVICES

As a condition of your treatment by this office, financial arrangements must be made in advance. The practice depends upon reimbursement from the patients for the costs incurred in their care and financial responsibility on the part of each patient must be determined before treatment. All emergency dental services, or any dental services performed without previous financial arrangements, must be paid for in cash at the time services are performed. Patients who carry dental insurance understand that all dental services furnished are charged directly to the patient and that he or she is personally responsible for payment of all dental services. This office will help prepare the patients insurance forms or assist in making collections from insurance companies and will credit any such collections to the patients account. However, this dental office cannot render services on the assumption that our charges will be paid by an insurance company. A service charge of 1 1/2% per month (18% per annum) on the unpaid balance will be charged on all accounts exceeding 60 days, unless previously written financial arrangements are satisfied. I understand that the fee estimate listed for this dental care can only be extended for a period of six months from the date of the patient examination. In consideration for the professional services rendered to me, or at my request, by the Doctor, I agree to pay therefore the reasonable value of said services to said Doctor, or his assignee, at the time said services are rendered, or within five (5) days of billing if credit shall be extended. I further agree that the reasonable value of said services shall be as billed unless objected to, by me, in writing, within the time for payment thereof. I further agree that a waiver of any breach of any time or condition hereunder shall not constitute a waiver of any further term or condition and I further agree to pay all costs and reasonable attorney fees if suit be instituted hereunder. I grant permission to you or your assignee, to telephone me at home or at my work to discuss matters related to this form.

I have read the above conditions of treatment and payment and agree to their consent.

I _____, also give consent for my child _____ to have a dental exam, dental radiographs (x-rays), flouride and a prophylaxis (cleaning).

1. What does HIPAA stand for?

HIPAA is an acronym for Health Insurance Portability & Accountability Act which was passed by Congress in 1996

2. Why should I sign now?

Signing now simply lets us know you received the HIPAA Notice Practice. Of course you can choose not to sign.

3. What happens if I don't sign this acknowledgement form?

First, you need to know we will provide you timely care and treatment whether or not you sign form. Second, you choose not to sign the form, we will note your choice in the bottom of the acknowledgment form and how you take a copy of the Notice.

4. Is my signature just acknowledging receipt of this notice?

Yes. By signing this acknowledgment form we then can show the Department of Health & Human Services that we are complying with one of the major rules of HIPAA to make sure we give every patient the opportunity to have the Notice. You may refuse to sign this form!

5. Why is this notice so long compared to the ones I received from my financial institution, my credit card company, or my life insurance company?

Those companies are subject to a different set of private rules under the Graham/Leach Act while all healthcare organizations are subject to HIPAA and (where indicated) state laws.

6. Are you doing anything different with my health information now than you did before HIPAA?

Actually, we are going to guard your medical information even more closely. We have developed policies and procedures for our staff throughout (Heroes Dental) to follow, to make certain your medical (dental) information is shared only with those needing your information for treatment, payment, or healthcare operations.

7. Is this HIPAA Notice and acknowledgment form only for Heroes Dental?

Yes; however, all healthcare organizations such as hospitals, physician's offices, outpatient surgery centers, and home care or hospice care services are subject to HIPAA effective April 14, 2003. These other organizations will have their own Notice and acknowledgment form you will need to sign when you receive services from them.

8. After I sign this acknowledgment, then what happens?

We will place your form in your medical records and note your choice in our computer system. When you return for the same type of service or another service here at Heroes Dental we will need to ask you if you have received our HIPAA Privacy Notice. Since you have received one today you just need to let us know then that you already have one.

9. What am I going to be paying out because of signing?

Signing our HIPAA Privacy Notice acknowledgment form has NO bearing on your current payment arrangements.

10. Am I expected to sign this acknowledgement form without reading the Privacy Notice?

Yes. You are simply going on record that you have the Privacy Notice which we are required by the law that is the

Acknowledgment of Receipt of Notice of Privacy Practices

I acknowledge that I have been provided the opportunity to read a copy of Heroes Dental Notice of Privacy Practices.
